

GENESIS® 20th Anniversary Celebration
April 5-8, 2018
Allegretto Vineyard Resort
Paso Robles, CA

Make your plans to join us where it all began. For the GENESIS® 20th Anniversary Celebration, we will return to California's Central Coast to enjoy the beautiful wines, the stunning setting and celebrate with our GENESIS® family.

About Our Venue:

The Allegretto Vineyard Resort celebrates "la dolce vita," "the sweet life" and pledges to bring joy to the lives of everyone attending this GENESIS® event. The property's beautiful Mediterranean-inspired venue will play host to our 20th Anniversary Celebration. We promise to "wow" you with food inspired by local produce and provisions, a luxury full-service boutique spa, swimming pool with cabanas, art and artifacts spanning thousands of years, cultures and wisdom traditions, restaurant and wine bar – all with a view of the vines and wine country.

The expansive Italian-style villa with global accents counts among its myriad venues a grand 12,000-square-foot piazza, quaint French-inspired Abbey, and many rooms with vineyard views.

This resort was built to magnify many of the wonderful things that Paso Robles represents: history, family, food, wine, beauty, and community. Here, GENESIS® will celebrate what's common between us — the desire to thrive, make connections, and take pleasure in the abundance of life.

Allegretto is home to a variety of beautiful amenities:

- Wine Tasting Room
- Spa Allegretto
- Pool with Cabanas
- The Abbey – French inspired
- Cello Ristorante & Bar
- Art, Artifacts and Inspired Spaces
